A LONG TAP WORM.

Quaker Herb Tonic Brings Wonders in Tallahassee.

MAN HAS BEEN RELIEVED.

The Testimony Below Speaks for Itself.

To Whom it May Concern:

This is to certify that on December 17th, 1900, I purchased a bottle of Quaker Herb Tonic, as I have been suffering for years with dyspepsia and with heart trouble. For a long time I have felt very giddy, head-d, with dizziness and spots floating before the eyes. My back has been very lame and weak, pains between the shoulder blades, my urine highly colored, and my food never seemed to digest. After eating a meal of victuals, I would have a full feeling and pains in the stomach, often causing cramping and griping in the stomach, and suffering a great deal with palpitations and pains around the heart, choking sensations in the chest, sour stomach, constant sick headache, and bowels very irregular and constipated. I have been taking Quaker Herb Tonic for one day, took it regular according to directions, and this morning passed Tape Worm 3 feet long, with head, neck and body in one piece, unbroken and alive. I know this has been the cause of my stomach and heart diseases for many years, and I am glad that I used Quaker medicine. My age is forty-one years, and a farmer by trade; was born in the North and have lived in Tallahassee, Florida, for four years.
FRED L. LODER.
